## Car-mounted portable energy storage box

The cargo box, called the Thule Arcos, loads onto the towbar rather than the roof and appears to improve range when attached to an electric vehicle. No, we're not kidding. Read on. In some circles - like the Arctic one, apparently - there's fervent discussion on the aerodynamics of cargo boxes mounted on cars.

Plus, it has more AC, USB-A, and USB-C ports than most portable power stations we've tested. Offering plenty of power and ports in a compact package, the Jackery Explorer 1000 is the best portable power station for emergency backup power or outdoor activities such as camping and tailgating. It has great battery life.
