BLACK+DECKER (3) Century (3) Comfort Aire (3) Danby (6) DELLA (6) Friedrich (6) Frigidaire (6) Show more. B. BLACK+DECKER (3) C. Century (3)

Portable Air Conditioners. Portable air conditioners are freestanding units that can be rolled around from room to room. This makes winter storage quite easy. For these units, a hose is attached to a window bracket. Installation is a breeze, with the most complicated step being the bracket setup.

You receive some of the highest SEER ratings possible with Carrier. The company offers up to a 26 SEER rating. Carrier provides a standard 10-year product warranty that can be extended by registering. If you don't register your Carrier AC, you'll only receive a five-year warranty. Carrier's AC units are more expensive than competitors.

Living in a tropical country can sometimes be grueling, especially in the summer months. Some of us go to pool resorts and out-of-town beaches to beat the summer heat, but most stay indoors in front of an electric fan or go to malls to get a whiff of cooler air. Purchasing an air conditioner could be the best solution in times like this, and choosing one might be a tough ...
