I was assigned a utility box by the City of Dublin (CA) to paint and beautify the city. I've painted murals before, but when I looked for tips on painting these boxes, I found pictures of finished work, but no instructions. So maybe I'll be the first to post a how-to guide for this project!

Then, you can spray the paint into the box to spray paint the item and this will reduce the chances that paint will end up on nearby surfaces. You can also put items on a small piece of cardboard or a turntable inside of the box to make it ...
