

Lexus rx450h energy storage device

The RZ also lacks a passenger glovebox, instead offering extra (and open) storage directly underneath the center console. Along those lines, the RZ is the first Lexus to feature a dial shifter versus the familiar shifter we've seen pop up in dozens of Lexus and Toyota vehicles. The RZ and RX share identical digital gauge clusters, although ...

Lexus RX 450h F Sport. The Lexus RX 450h introduced the second generation Lexus Hybrid Drive technology, and is the third generation of the original luxury SUV. Lexus has drawn on more than a decade of experience in full hybrid powertrain technology to bring about improvements in every aspect of the vehicle's Lexus Hybrid Drive system.
