Renting a shipping container provides you with a low-risk, low-cost storage solution on your own schedule. A 20-foot shipping container offers durability, versatility and portability in various construction, industrial and commercial use cases. Primarily intended for portable on-site storage, 20-foot shipping containers are wind and watertight.

The 20-foot containers and 10-foot containers are delivered on a straight, one-piece flatbed truck that is approximately 28 feet long, so the truck would need a relatively straight shot of around 50 feet in order to drop a 20-foot container and about 40 feet for a 10-foot container.
