The key consideration when classifying a transaction as an asset acquisition or a business combination is the definition of a business. In January 2017, FASB issued Accounting Standards Update (ASU) 2017-01, Clarifying the Definition of a Business. This ASU provides a new framework for determining whether a transaction is an asset acquisition or a business ...

Hangzhou Boiler Group has been renamed Xizi Clean Energy Group, the Hangzhou-based stock-market-listed company announced at a renaming ceremony it held on March 12. The new name, officially registered in the Zhejiang Administration for Market Regulations on Jan 28, reflects the company's transition toward the new energy sector in recent years. ...
